JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 5 September 1973

25X1 1. [redacted] Talked to Jim Lowenstein, Senate Foreign Relations Committee staff, concerning his trip to Europe and NATO starting next week and cancelled the briefing scheduled for Friday, 7 September by Bruce Clarke's, D/OSR, shop. The Kissinger confirmation hearings 25X1A scheduled for Friday has limited the time for outside briefings prior to departure. [redacted] DD/OSR, has been advised.

25X1 2. [redacted] Talked briefly to Dr. John Brady, House Foreign Affairs Committee staff who told me that the narcotics survey trip with Representative Lester Wolff (D., N.Y.) was a very difficult one. He said he managed to avoid contact with Agency representatives in all but one instance which was unavoidable. He will brief me in detail at the first opportunity. Dr. Brady also asked that [redacted] call 25X1A
25X1A him during the afternoon. [redacted] was advised.

25X1 3. [redacted] In response to his call yesterday, I told Guy McConnell, Senate Appropriations Committee staff, that Mr. Colby was quite agreeable to giving an intelligence briefing to the Defense Subcommittee or to the full Appropriations Committee, whichever Chairman McClellan might decide. McConnell said he was sending a memo to the Chairman today suggesting a briefing by Colby.

25X1 4. [redacted] Received a call from Representative Silvio O. Conte's (R., Mass.) office asking if we had any employment possibilities in the Agency for someone interested in work in television or a television media field. I told her that except for our interest in people with purely communications background, i.e., operators, I thought we would have nothing of interest to the type of person she had in mind.
